While both Alex and Jennifer had many of the cliché characteristics we've all come to expect in this familiar storyline history of abuse, tragic loss of loved one, jealousy issues, unwillingness to acknowledge feelings. Goodreads is the world's largest site for readers with over 50 million reviews. Expecting to be considered for the position of personal assistant to Alexander Wenn, Chief Operating Officer, she is surprised to be asked to be the position of his platonic girlfriend.

With not much other choice, Jennifer applies for a secretarial position at Wenn. The only thing that actually bothered me was view spoiler [how quickly Jennifer assumed that because she's dating Alex near the end of the book she has to have sex with him soon. It's a slow buildup for them, even though the initial girlfriend job seems like a whirlwind. Author show .

With an MBA in Business it should only be a matter of time before Jennifer Landis of Christina's narratives reflect her background as an insider in the world of fashion.
