Yes, you read that right. Not only does it exhaust everyone involved, it's ultimately counterproductive and drives away the best workers. Check it out in [7 Habits of Highly Effective People](#). We'd love to hear what you thought of this book, log in or register to leave your review. As companies grow larger I think we lose the skills of listening and communicating well with our people and our teams. More videos that help make everyone accountable for the success of the team.
