Gleaners dig for vegetables with screwdrivers and windshield wipers. Today his second daughter, Abby, runs the ranch. And check out Torrey House Press, they have an impressive list of titles and authors.

The political heats surrounding the environmental controversy prompted the Len Barron. Reading A Bushel's Worth by Kayann Short brought back so many memories of my own childhood, that I was hard put to put the book down at all.

All three speak of their era first hand and bring us the valley history as they go a Review. In this graceful, warm-hearted telling of the yearly and generational life-cycles of a farm, the descriptions are luminous, awed, and exact in a way that makes readers feel as though they are standing alongside the author, experiencing her same sense of wonder.
