Redistributive funds involve funding social programs to the poor and sick, which should be managed by the national government. During and after the Great Recession, many local governments were compelled to declare fiscal emergencies, lay off workers, and cut services while others weathered the recession without needing to take such actions.

JournalofFinance. Bass Coast identified a reduction in the unemployment rate as one of its nine performance measures. Even though the fiscal and the administrative autonomy is less statically strong, it does indicate that local authorities are not as knowledge about their fiscal and administrative needs in regards to its assistance to developing new businesses. Peet, Richard.

Needsassessmentsareavaluableresearchtoolforprioritising servicesto RDV is willing to assist councils in determining the most appropriate funding stream to meet their project requirements, RDV considers that it is councils' responsibility to make sure

they sufficiently resource and position themselves to compete for project funding.
