With a unique ability to tell it like it is -- and also to
tell it like it could be in your wildest dreams -- Zane crafts
stories about everyone from the sensual housewife who wants
her husband to experiment more to a secret underground
sorority of women that organizes some rather unconventional
social events. And look at all the destruction they left. Or
are they stuck in a corner of a rest home where no one comes
to visit and only the cagiest and most clever escape from time
to time and run amok on the grass of manicured lawns and hide
in the sprinkling water of the Japanese Gardens before being
captured and hauled back to captivity.

These documents end up being very nearly as long as my books,
and when the book comes out, I usually post the corresponding
notes document online for perusal by those few who are very
particularly interested in that book or in my working methods.
