More in Addiction. Early cessation creates its own tension, and that can be overwhelming when paired with the stresses of daily life if you let it be. This one is obvious. You need someone to help "pick" you up and get you on the right track. Learn more at Author Central. It gets worse.

Genius will not; the world is full of educated derelicts. And since some motivations have conflicting interests with others, you cannot, by definition, have everything you want. This is inevitable.
