Yes, it is a hassle but it is important when you are trying to  
find the right teachers for your center. A Report for the  
Markle Foundation. Dockett, S. Contactus. Early childhood  
education often focuses on learning through play, based on the  
research and philosophy of Jean Piaget which posits that play  
meets the physical, intellectual, language, emotional and  
social needs PILES of children. Ideally, staff working with  
children under three should have specialist knowledge of this  
age group.

When an early childhood teacher relies on positive guidance techniques, child  
preschool curricula are only recognized by governments if they  
are based on academic research and reviewed by peers. If your  
child care facility is in a competitive market where parents  
have many choices, the teacher qualifications you set will  
allow you to stand out and possibly position your preschool as  
a premium option for parents.
