A great, great Graphic Novel and now I finally see why Cooke's art is so highly rated. But ghosts from the past
It is a world-spanning, continent-crushing, over-the-top adventure story. Betrayed by the woman he loved and double-crossed by his partner in crime, Parker makes his way cross-country with only one thought burning in his mind - to coldly exact his revenge and reclaim what was taken from him! Under the combination of Stark's and Cooke's hands, Parker is a cold bastard with a clear purpose, using his talents and conscience nearly as empty as a sputtering car's tank to stalk methodically to his goal.
