**Bridget Jones: Mad About The Boy book review**

Mad about the Boy is a larp about survivors of a global disaster that killed more than half of humanity. An inexplicable disease killed all the men in mere minutes.

In the commercial, which is influenced by the Burt Lancaster film The Swimmer a young man runs through an American suburban neighbourhood stripping down to only his jeans, invades private gardens and dives into a series of swimming pools to shrink his jeans. Just something that felt truthful and real. Books by Helen Fielding. Even the ending, which was charming and happy, just came out of. You've got to be kidding me! The 68 time arrangement for voice and jazz orchestra by Quincy Jones and it still looked like an advert.
