I don't imagine that hardly any player can keep the arm completely straight. Shawn Myszka.

The player with the ball throws the ball up toward the net, setting the level. Defense is like forearm passing, and we close with blocking, a skill only learned if the athlete is already tall enough to get their hands or more above the net. Anyone who wants to me to attach a video to an email, please email me at coachhouser yahoo.

In this video Steve discusses the most important points on where the blockers tip. Tip: A ball that is pushed or directed with force by an attacking team.
