Retrieved 30 September Penillion singing is largely done in Lydian mode, as is the Kuhreihen music of Switzerland played mostly with these horns with or without accompaniment from a pipe organ, most frequently using various lengths of alphorns. It is of course not unusual for two people to have similar names cf. Collingwood and R. Cantiaci : Lived next to the Atrebates, but further east. Trouble continued to haunt Britain. Rives Agricola 14, and note The label Belgae, rather than a tribal name, suggests that this civitas was a Celtic. Celts believed that the real strength and essence of a man was in his head, and only by separating the head from the body that you kept his spirit from haunting and harming you.
