The international gold standard, in whose contribution to world order Strong had firmly believed, had never worked automatically in the past. Despite fears in that munitions production was lagging, the output was more than adequate. Hesaysthewarturnedapeacefulnationinto"onethatwasviolent,aggressiv Many farmers were peasants who grew food partly for their own consumption. The progress of science and technology opened new avenues of production that sustained the war effort. Setagainstthecentenaryoftheoutbreakofthewar,aclearopportunitypres black veterans were open to a new way of life. It did not grant the Arabs the independence they were promised.
